Dear Exhibitor,

14th June 2023

23rd Coast & Country Rally, West Wayland Farm, Looe, Sunday 23rd July 2023

It is that time of the year again for exhibiting your vehicle. If you have had an email invitation please ignore this letter and use the online form. Not knowing whether the emails have got through, we are sending out paper copies as well to be sure of contacting you.

Please find enclosed entry form regarding the above event, please note that a separate form is required for each entry. Extra forms can be obtained by photocopying, downloading from www.looelions.co.uk/rally or from the address at the top of the page.

We publish a programme listing all the entries and the history of exhibits. So, in order to get the format to the printers in time, we would like the forms, along with as much information you can supply, back to us by 9th July. Any forms received after this deadline will not be included, but you are still welcome to exhibit. You can send the form by post or scan and email.

Upon receipt of your form(s) we will allocate a number for your vehicle/exhibit, this number will be given to you at our reception tent. Programmes will be issued when you register; mementoes will be presented during the day but should you wish to leave earlier than the finish please contact the registration tent.

If you know of any colleagues who have an interesting vehicle/exhibit, regardless of condition or age, which they would like to show, please ask them to contact me by phone, email or post. On Saturday 5th August we hold our Carnival Procession which starts from Marine Drive Hannafore Looe. If you would like to enter your Classic vehicle in the parade you will need to register your entry before 6pm on the day of the Carnival to be included in the judging.

Should you require details on how to get to the site, or anything else, please do not hesitate to contact me.

Yours sincerely

David Ede
Rally Organiser
